International Journal of Scientific Engineering and Applied Science is an open access, international, peer-reviewed, monthly e-Journal, dedicated to serve the society by quality research work. The scope of journal is therefore necessarily broad to cover recent discoveries in structural and functional principles of scientific research.

Word Template (zip, 154 kB) - Springer

Authors are encouraged to use the Article template or Communication template for preparing manuscripts, but it is not required. Authors who choose not to employ a template are asked to paste their graphics within the text close to the place of first mention, as this will produce documents that are easier to review.
